## **Introducing** *Nolan in the Neighborhood*

- local painting company to invest \$1mm to support area communities -

**Havertown, Pa. (November 19, 2015)** – Nolan Painting, Southeastern Pennsylvania’s largest family-owned residential painting company, announces *Nolan in the Neighborhood*, a new community initiative supporting local organizations and events throughout Southeastern Pennsylvania. The company has committed to investing approximately \$1,000,000 over the next ten years to support initiatives that improve the communities the company has served for the past 35-years.

Since its founding in 1979, Nolan Painting has been an active community partner – attending, volunteering and sponsoring road races, concerts, festivals, silent auctions, shows and sporting events throughout the Main Line and surrounding areas. In 2015 alone, the company invested approximately \$100,000 and upwards of 1000 employee volunteer hours into a variety of community initiatives (specifics can be found at: [www.nolanintheneighborhood.com](http://www.nolanintheneighborhood.com)).

According to CEO and founder, Kevin Nolan, the new community initiative lays the groundwork for future involvement.

“We have always placed a premium on giving back to the community,” he said. “*Nolan in the Neighborhood* puts an umbrella over this important work. As business people, we feel an obligation to help drive positive social change. As painters, we are in people’s homes everyday. We genuinely understand the needs of the neighborhoods.

This signature program organizes our philanthropic efforts and underscores our relationship with the community. Our customers can count on us to be there and support them for the long haul.”

On any given weekend, Nolan employees travel to events with a trailer loaded with a tent, tables, coolers, a popcorn machine, bins, bags, cups, promotional giveaways, banners and signs. In 2014, Nolan gave away over 5,000 water bottles and running gloves. They also gave away hundreds of pounds of popcorn and hundreds of gallons of Gatorade and water. Employees are strongly encouraged to participate and volunteers receive comp time toward vacation time.

Consumers who would like to learn how *Nolan in the Neighborhood* can support their community efforts, will find information at [www.nolanintheneighborhood.com](http://www.nolanintheneighborhood.com).
